COMMUNICATION

## *Strengthening families and supporting parents to raise healthy kids!*

*Safe Homes* is a parent networking campaign to promote communication among parents and within families, sponsored by the Downington Area School District and Downington Communities that Care (CTC).

This year, the 2015-16 Safe Homes Team will offer:

- ❖ Speakers
- ❖ Parent discussion nights
- ❖ Monthly tips to help each other navigate the journey of raising healthy children.

Look for monthly fliers in elementary backpacks, on H&S websites of all 16 DASD schools, on  *Downington Safe Homes*, and at [www.dtownctc.org](http://www.dtownctc.org).

If you would like to help or have questions, contact your school's Safe Homes Champion.
